

About Us.

We believe in Mobility For All, and we help Canadians participate in their communities by providing them with mobility services, using multiple modes of transportation, designed for their every need. **Because We Care About Their Journey.**

We're a Public Transit company servicing Industry, Communities and Individuals with para, shared and personalized transportation

Voyago and London Transit operate on a Public Private basis to offer Para service across the city.

Voyago provides Specialised Transit service to LTC in an ON-Demand service. Local residents that qualify for the service, can book a trip anytime, anywhere within the LTC transit routes. The fee

is affordable, accessible and users enjoy the flexibility, one:one attention and access.

Our Voyago Paratransit team serves over 500 riders per day

helping them reach medical appointments, visit retail and grocery shops, and visit friends and family.

We're Mobility for All.

Voyago has been providing Canadians with trusted mobility since 1979. Our business was founded on the principal of 'doing things

right even when no one is watching'. Our promise is to exceed expectations each day to our over 50,000 riders. Our product is Care, delivered

by a skilled team of drivers, attendants, maintenance workers, logistics and office administrators and customer care agents.
